

Welcome to UPGRADE study visit. We are delighted to welcome you. We hope you enjoy an insightful and motivational week with us.

This study visit aims to show the resources and structures existing at the Universitat de Valencia aiming at providing a path from the finalization of studies to the professional development of students. We propose to visit different campus of the University so that you can get a detailed picture of the University of Valencia and how different services and units work towards the same goal: provide the best services to students towards integration in the labour market and professional activities.

This booklet includes information on the agenda, the different locations of the University of Valencia where the activities will take place, and information on how to get to the town center.

The most convenient way to move in the city is using metro and tram system. You can use to reach the city from the airport, but also to reach the different locations scheduled during the working days. We recommend you to buy a travel card upon arrival in the automatic machines located in the airport metro station, or any other metro station. The most convenient card option is the **SUMA10** option where you get 10 trips for 4 EURO (plus 1 EURO for the magnetic card). After using 10 trips, you can recharge the card with ten more trips for 4 EURO multiple times. In order to plan your schedule for arrival to the meeting places, please consider that waiting times at the station can be between 5 and 20 minutes for a train arrival and, depending on your accommodation location, trip time might be around 30 and 50 minutes (in some case, including some metro line exchange). **CHECK CAREFULLY YOUR TRAVEL TIME BETWEEN YOUR ACCOMODATION AND THE EVENT LOCATION EACH DAY TO AVOID LATE ARRIVAL.**

Thanks for participating.

The UPGRADE project team at the University of Valencia.

# PROGRAM OF ACTIVITIES

UNIVERSITAT  
DE VALÈNCIA

Vicerektorat d'Internacionalització  
i Multilingüisme

## HOW TO GET TO/FROM THE AIRPORT

By metro, via Line 3 (red) and Line 5 (green). The station is situated on the ground floor of the arrivals hall in the Terminal. Journey time to the city centre is approximately 25 minutes.

By taxi. There is one taxi rank in T1 Arrivals (ground floor); just go outside from the building and you will see the taxi line. València taxis are white and are run by local companies. They all charge the same rates and are available 24 hours a day. The cost will be around 20 to 25 €. All of them can be paid by card. You can use Cabify as well but UBER is not operating.

An additional document in this information package shows the complete metro map. Alternatively, you can download the metro map pdf file from: <https://www.metrovalencia.es/wp-content/uploads/2023/12/Plano-general-Metrovalencia-2023.pdf>

### EVENTS TAKING PLACE THESE DAYS

There are Valencia events that you can find here: <https://www.visitvalencia.com/en/events-valencia>

### TOURIST INFO POINTS

<https://www.visitvalencia.com/en>

The offices of the Red Tourist Info are the best support for visitors of València who require any information. There are seven centers spread over key points of the city, where you can discover events and routes, obtain tourist maps and transport tickets, as well as the exclusive discounts of the Valencia Tourist Card. They are open from Monday to Sunday, but they reduce their schedules at the weekend.

Opening hours:

Monday to Saturday, from 09.30 to 17.30

Sundays and holidays from 09.30 to 15.30

WHATSAPP: +34 667 630 430 (same schedules)

E-MAIL: [info@visitvalencia.com](mailto:info@visitvalencia.com)

## INTERNET CONNECTIONS

If your institution is part of eduroam initiative, you can access to WiFi internet connection in the university facilities through EDUROAM. Due to the attendance in different locations, we cannot provide WiFi internet connections except for those under EDUROAM.

Here you can see a list of institutions in Moldova adhered to EDUROAM, according to the eduroam.md website.

The screenshot shows the eduroam website interface. At the top left is the eduroam logo. Below it is a navigation menu with the following items: Home, Documents, eduroam Cookbook, FAQ, Connected Institutions, About eduroam, and Contact Us. The main content area displays a list of institutions in Moldova, each with a bullet point and a link to their official website for more details.

- Moldova State University, follow [official web site](#) for more details about institution
  - Institute of Applied Physics, follow [official web site](#) for more details about institution
  - Vladimir Andrunachievici Institute of Mathematics and Computer Science, follow [official web site](#) for more details about institution
- Technical University of Moldova, follow [official web site](#) for more details about institution
  - RENAM NOC,
  - Institute of Power Engineering, follow [official web site](#) for more details about institution
- Ion Creanga State Pedagogical University, follow [official web site](#) for more details about institution
- Comrat State University, follow [official web site](#) for more details about institution
- Municipal Clinical Hospital "St. Archangel Michael", follow [official web site](#) for details about institution
- Research Institute for Mother and Child Health Care, follow [official web site](#) for more details about institution
- Academy of Music, Theater and Fine Arts, follow [official web site](#) for more details about institution
